## SHALOW,

Picture yourself . . . walking where Abraham rescued Lot, standing where David faced Goliath, boating around the Sea of Galilee where Jesus taught and healed, walking down the Mount of Olives into the Garden of Gethsemane, and exploring the ancient streets of Jerusalem. Come with us as we visit amazing Biblical sites from Dan to Beer Sheva: “Arise, walk about the land through its length and breadth” (Zechariah 13:1-7).

Your Bible reading will be transformed from black and white to color, as you study the Scriptures onsite with Dr. Erwin Lutzer and Dr. Michael Rydahlwie. Plus, you'll learn about the earliest followers of Messiah Jesus and see the sweep of Jewish history. You'll also gain insight into the current issues facing Israel and her neighbors as you search the words of the awesome Jewish prophets.

Don't miss this unique opportunity to expand your Bible knowledge and enrich your walk with the Lord on location! At each archaeological site or geographic area, Dr. Erwin Lutzer, internationally respected Bible teacher and pastor, and Dr. Michael Rydahlwie, professor of Jewish studies and Middle East expert, will enrich your understanding of Scripture.

Come and see the places where the key events of the Old Testament and the Gospels, and the Book of Acts actually occurred. Understand the Scriptures as never before from a ground-level perspective as you pray, sing, worship, study, laugh, and learn in “His Holy Land” (Ps 78:54).

### Petra Option:

Expand your adventure with an optional extension to the Southern tip of Israel to visit Eliat, the port of Solomon; then travel into Jordan to search the mysterious rock-cut city of Petra.
