*Shalom,*

Picture yourself...hiring where Abraham rescued Lot, standing where David faced Goliath, boating across the Sea of Galilee where Jesus taught and healed, walking down the Mount of Olives, praying in the garden of Gethsemane, and exploring the ancient streets of Jerusalem where the Messiah proclaimed the Scriptures. Come with us to visit amazing biblical sites from Dan to Beersheva: "Arise, walk about the land through its length and breadth" (Genesis 13:17).

Your Bible reading will be transformed from black and white to color, as you study the scriptures on sight. Learn about the earliest followers of Messiah Jesus and understand the sweep of Jewish history from the Patriarchs to today's headlines. You'll gain insight into current issues facing Israel and her neighbors as you search the words of the ancient Jewish prophets.

Take this unique opportunity to expand your Bible knowledge and enrich your walk with the Lord on location. At each archeological local or geographic area Dr. Michael Rydelnik, Professor of Jewish Studies at the Moody Bible Institute, and Israel expert, will open the text of Scripture and enrich your understanding of God's Word.

From the spade and dust of an archaeological dig, to a dip in the Dead Sea, a 4x4 jeep trek in the wilderness, to a camel caravan in the desert and overnight in a Bedouin camp—the adventure will be incredible! Come and see the places where the key events of the Old Testament, the Gospels and the Book of Acts actually occurred. Understand the Scriptures as never before from a ground level perspective as you pray, sing, worship, study, laugh and learn in "His Holy Land" (Psalm 78:54).

Join us we journey to the land of our roots and explore our spiritual heritage. You'll remember it for a lifetime.

*Next year in Jerusalem.*

Michael and Eva Rydelnik
